Join business, government, and chamber leaders from around the world this September in Melbourne.

Secure your seat before it's too late!

REGISTER HERE

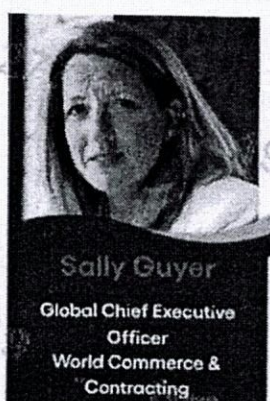

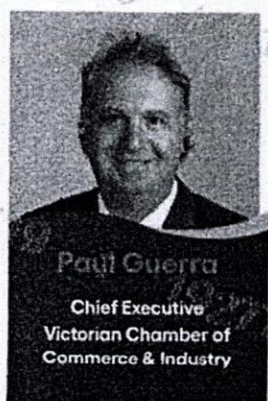

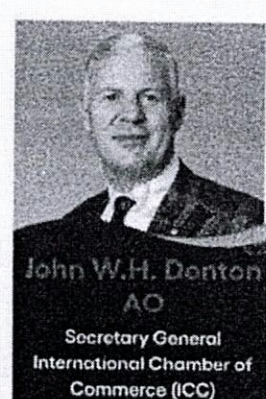

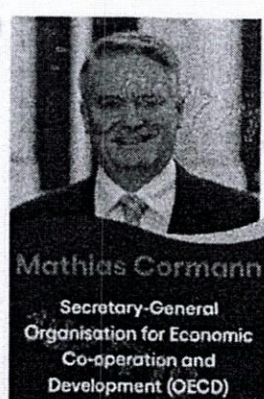

More than just a congress, 14WCC is a dynamic platform where ideas can flourish into collaborations for actionable strategies, fostering inclusive economic growth and empowering local communities. Whether it's exploring digital transformation and sustainability to redefining trade in an era of rapid change, or sparking connections with chamber leaders that transcend borders, 14WCC has it all.

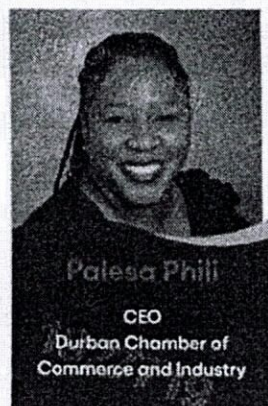

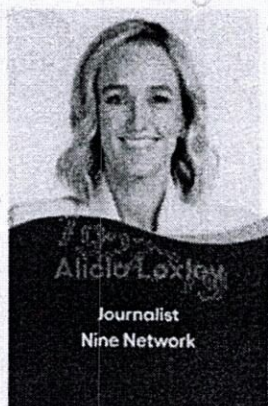

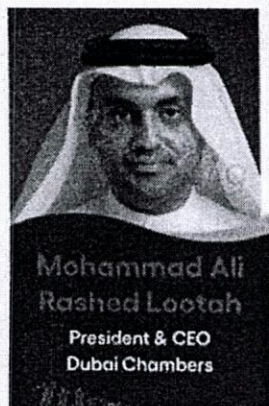

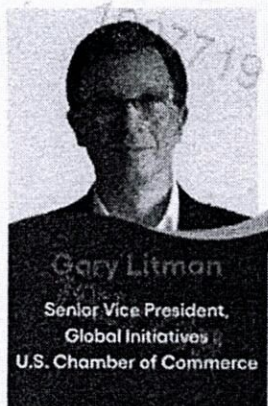

Don't miss your opportunity to join us and be a catalyst for change.

Explore our lineup of confirmed international speakers Leading the conversation at 14WCC

The 14th World Chambers Congress will feature a diverse lineup of some of the world's most influential voices in business, government, and chambers. Make sure you join these thought leaders as they share real-world insights and forward-thinking strategies shaping the future of global trade. From navigating geopolitical shifts to scaling clean energy and advancing global commerce, **our speakers will challenge ideas, spark dialogue, and inspire new approaches to today's most pressing issues.**

Discover the latest chamber innovations

Visit the exhibition area

Don't miss the exhibition area at this year's Congress, **where innovation meets opportunity**. The space is designed for attendees to explore cutting-edge products and services tailored for SMEs, businesses, and chambers, and allows you to engage in live demonstrations, connect with global business leaders, and gain insights into the latest industry trends.

Expose your brand to chamber members from over 100 countries.
